

## STUDENT HARASSMENT AND BULLYING PREVENTION AND INTERVENTION REGULATION

The Board prohibits all forms of discrimination, such as harassment, hazing, intimidation and bullying on school grounds, school buses and at all school-sponsored activities, programs and events.

### Definitions

#### **Bullying**

In order to facilitate implementation, provide meaningful guidance and prevent behaviors from rising to a violation of law, this policy will use the term bullying (which is usually subsumed under the term “harassment”), which is understood to be a hostile activity which harms or induces fear through the threat of further aggression and/or creates terror. Bullying may be premeditated or a sudden activity. It may be subtle or easy to identify, done by one person or a group.

#### **Discrimination**

Discrimination is the act of denying rights, benefits, justice, equitable treatment or access to facilities available to all others, to an individual or group of people because of the group, class or category to which that person belongs (as listed under *Harassment* as defined below).

#### **Harassment**

Harassment has been defined in various ways in federal and state law (including the penal law) and regulation. The Board recognizes that these definitions are important standards, but the Board’s goal is to prevent behaviors from escalating to violations of law and, instead, to promote a positive school environment and limit liability. The Dignity for All Students Act (§§10-18 of Education Law) defines harassment as the creation of a hostile environment by conduct or by verbal threats, intimidation or abuse that has or would have the effect of unreasonably and substantially interfering with a student’s educational performance, opportunities or benefits, or mental, emotional or physical well-being; or conduct, verbal threats, intimidation or abuse that reasonably causes or would reasonably be expected to cause a student to fear for his or her physical safety. The harassing behavior may be based on any characteristic, including but not limited to a person’s actual or perceived:

- race,
- color,
- weight,
- national origin,
- ethnic group,
- religion,
- religious practice,
- disability,

- sex,
- sexual orientation, or
- gender (including gender identity and expression).
- Gender identity is one's self-conception as being male or female, as distinguished from actual biological sex or sex assigned at birth.
- Gender expression is the manner in which a person represents or expresses gender to others, often through behavior, clothing, hairstyles, activities, voice or mannerisms.

### **Hazing**

Hazing is an induction, initiation or membership process involving harassment which produces public humiliation, physical or emotional discomfort, bodily injury or public ridicule or creates a situation where public humiliation, physical or emotional discomfort, bodily injury or public ridicule is likely to occur.

### **Prevention**

Prevention is the cornerstone of the BOCES effort to address bullying and harassment. The components of such an effort involve the following:

- Following the principles and practices of “*Educating the Whole Child Engaging the Whole School: Guidelines and Resources for Social and Emotional Development and Learning (SEDL) in New York State* – Adopted by the Board of Regents July 18, 2011.” BOCES curriculum will emphasize developing empathy, tolerance and respect for others.
- Learning about and identifying the early warning signs and precursor behaviors that may lead to bullying.
- Gathering information about bullying at school directly from students (through surveys and other mechanisms); analyzing and using the data gathered to assist in decision-making about programming and resource allocation.
- Establishing clear school wide and classroom rules about bullying consistent with the BOCES' code of conduct.
- Training adults in the school community to respond sensitively and consistently to bullying.
- Raising awareness among adults, through training, of the school experiences of marginalized student populations (as enumerated in the *Definitions* section above), social stigma in the school environment, gender norms in the school environment, and strategies for disrupting bullying, intimidation, harassment or other forms of violence.
- Providing adequate supervision, particularly in less structured areas such as in the hallways, cafeteria, school bus and playground.
- Raising parental awareness and involvement in the prevention program and in addressing problems.
- Using educational opportunities or curriculum, including, if applicable, the Individual Educational Program (IEP), to address the underlying causes and impact of bullying.

**Role of the Dignity Act Coordinator (DAC)**

The Board of Education will annually designate a staff member, who has been thoroughly trained in human relations in the areas of race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender (including gender identity and expression), and sex, as the Dignity Act Coordinator (DAC), accountable for implementation of this policy. The DAC will be responsible for coordinating and enforcing this policy and regulation in each school building, including but not limited to coordination of:

- the work of the building-level committees;
- professional development for staff members and,
- the complaint process, and
- management of the Dignity Act's civility curriculum components.

**Reporting and Investigation**

In order for the Board to effectively enforce this policy and to take prompt corrective measures, it is essential that all targets and persons with knowledge of bullying report such behavior immediately to **the principal, the principal's designee** or the **Dignity Act Coordinator** as soon as possible after the incident so that it may be effectively investigated and resolved. The BOCES will also make a bullying complaint form available on its website to facilitate reporting. The BOCES will collect relevant data from written and verbal complaints to allow reporting to the Board on an annual basis.

The BOCES will promptly and equitably investigate all complaints, formal or informal, verbal or written. To the extent possible, all complaints will be treated in a confidential manner, although limited disclosure may be necessary to complete a thorough investigation.

In order to assist investigators, individuals should document the bullying as soon as it occurs and with as much detail as possible including: the nature of the incident(s); dates, times, places it has occurred; name of perpetrator(s); witnesses to the incident(s); and the target's response to the incident.

If, after appropriate investigation, the BOCES finds that a student, an employee or a third party has violated this policy, prompt corrective and possibly disciplinary action will be taken in accordance with the code of conduct, applicable collective bargaining agreement, BOCES policy and state law. If the reported behavior constitutes a civil rights violation, the complaint procedure associated with that policy will be followed, as applicable. If either of the parties disagrees with the findings of the initial investigation, an appeal may be made to the District Superintendent in accordance with the process described below.

**Confidentiality**

It is BOCES policy to respect the privacy of all parties and witnesses to bullying. To the extent possible, the BOCES will not release the details of a complaint or the identity of the complainant or the individual(s) against whom the complaint is filed to any third parties who do not need to know such information. However, because an individual's desire for confidentiality must be balanced with the BOCES' legal obligation to provide due process to the accused, to conduct a prompt and thorough investigation, and/or to take necessary action to resolve the complaint, the BOCES retains the right to disclose the identity of parties and witnesses to complaints in appropriate circumstances to individuals with a need to know. The staff member responsible for investigating complaints will discuss confidentiality standards and concerns with all complainants.

If a complainant requests that his/her name not be revealed to the individual(s) against whom a complaint is filed, the staff member responsible for conducting the investigation shall inform the complainant that:

1. the request may limit the BOCES ability to respond to his/her complaint;
2. BOCES policy and federal law prohibit retaliation against complainants and witnesses;
3. the BOCES will attempt to prevent any retaliation; and
4. the BOCES will take strong responsive action if retaliation occurs.

If the complainant still requests confidentiality after being given the notice above, the investigator will take all reasonable steps to investigate and respond to the complaint consistent with the request as long as doing so does not preclude the BOCES from responding effectively to the bullying and preventing the bullying of other students.

**Investigation and Resolution Procedure****A. Initial (Building-level) Procedure**

Whenever a complaint of bullying is received whether verbal or written, it will be subject to a preliminary review and investigation. Except in the case of severe or criminal conduct, the **principal, the principal's designee** or the **Dignity Act Coordinator** shall make all reasonable efforts to resolve complaints informally at the school level. The goal of informal procedures is to end the bullying, prevent future incidents, ensure the safety of the target and obtain a prompt and equitable resolution to a complaint.

As soon as possible, but no later than *three working days* following receipt of a complaint, **the principal, the principal's designee** or the **Dignity Act Coordinator** should begin an investigation of the complaint by:

- Reviewing any written documentation provided by the target(s).
- Conducting separate interviews of the target(s), alleged perpetrator(s), and witnesses, if any, and documenting the conversations.

- Providing the alleged perpetrator(s) a chance to respond and notify him/her that if objectionable behavior has occurred, it must cease immediately. The individual will be made aware of remediation opportunities as well as potential disciplinary consequences.
- Determining whether the complainant needs any accommodations to ensure his/her safety, and following up periodically until the complaint has been resolved. Accommodations may include, but are not limited to:
  - A “permanent” hall pass that allows the student to visit a designated adult at any time;
  - Access to private bathroom facilities;
  - Access to private locker room facilities;
  - An escort during passing periods;
  - If the student feels unsafe in a specific class, an opportunity for individual tutoring or independent study until the case is resolved;
  - An opportunity for independent study at home with BOCES-provided tutor until the case is resolved;
  - Permission to use personal cell phone in the event that the student feels threatened and needs immediate access to parent or guardian;
  - Assignment of a bus monitor.

The BOCES recognizes that there is a need to balance accommodations which enhance student safety against the potential to further stigmatize the targeted student. Therefore, each case will be handled individually, and the student, parent/guardian, and school administration will collaborate to establish safety provisions that best meet the needs of the targeted student. Follow-up discussion and/or meetings will be scheduled, as needed, to ensure that safety concerns have been adequately addressed and to determine when and if accommodations need to be changed or discontinued.

Parents of student targets and accused students should be notified within one school day of allegations that are serious or involve repeated conduct.

Where appropriate, informal methods may be used to resolve the complaint, including but not limited to:

- a. discussion with the accused, informing him or her of the BOCES' policies and indicating that the behavior must stop;
- b. suggesting counseling, skill building activities and/or sensitivity training;
- c. conducting training for the department or school in which the behavior occurred, calling attention to the consequences of engaging in such behavior;
- d. requesting a letter of apology to the target;
- e. writing letters of caution or reprimand; and/or
- f. separating the parties.

Appropriate disciplinary action shall be recommended and imposed in accordance with BOCES policy, the applicable collective bargaining agreement or state law. BOCES should make every effort to attempt to first resolve the misconduct through non-punitive measures.

The investigator shall report back to both the target and the accused, within *one week* notifying them in writing, and also in person, as appropriate, regarding the outcome of the investigation and the action taken to resolve the complaint. The actions taken will be in conformance with the *Remediation/Discipline/Penalties* section of this regulation. The target shall report immediately if the objectionable behavior occurs again or if the alleged perpetrator retaliates against him/her.

If a complaint contains evidence or allegations of serious or extreme bullying, or a civil rights violation, the complaint shall be referred promptly to the District Superintendent. The complainant will also be advised of other avenues to pursue their complaint, including contact information for state and federal authorities.

In addition, where the **principal, the principal's designee** or the **Dignity Act Coordinator** has a reasonable suspicion that the alleged bullying incident involves criminal activity, he/she should immediately notify the District Superintendent, who shall then contact the school attorney, appropriate child protection and, if appropriate, law enforcement authorities.

Any party who is not satisfied with the outcome of the initial investigation may request a BOCES-level investigation by submitting a written complaint to the District Superintendent within 30 days.

B. BOCES-level Procedure

The District Superintendent or his/her designee shall promptly investigate and equitably resolve all bullying complaints that are referred to him/her, as well as those appealed to the District Superintendent following an initial investigation. In the event the complaint involves the District Superintendent, the complaint shall be filed with or referred to the Board President, who shall refer the complaint to an appropriate independent individual for investigation.

The BOCES level investigation should begin as soon as possible *but not later than three working days* following receipt of the complaint by the District Superintendent or Board President.

In conducting the formal BOCES level investigation, the BOCES will endeavor to use individuals who have received formal training regarding such investigations or that have previous experience investigating such complaints.

If a BOCES level investigation results in a determination that bullying did occur, prompt corrective action will be taken to end the misbehavior in accordance with the *Remediation/Discipline/Penalties* section of this regulation.

No later than 30 days following receipt of the complaint, the District Superintendent (or in cases involving the District Superintendent, the Board-appointed investigator) will notify the target and alleged perpetrator, in writing, of the outcome of the investigation. If additional time is needed to complete the investigation or take appropriate action, the District Superintendent or Board-appointed investigator will provide all parties with a written status report within 30 days following receipt of the complaint.

Any party who is not satisfied with the outcome of the BOCES-level investigation may appeal to the Board of Education by submitting a written request to the Board President within 30 days.

C. Board-level Procedure

When a request for review by the Board has been made, the District Superintendent shall submit all written statements and other materials concerning the case to the President of the Board.

The Board shall notify all parties concerned of the time and place when a hearing will be held. Such hearing will be held within 15 school days of the receipt of the request of the complainant.

The Board shall render a decision in writing within 15 days after the hearing has been concluded.

The BOCES shall retain documentation associated with complaints and investigations in accordance with Schedule ED-1.

**Retaliation Prohibited**

Any act of retaliation against any person who opposes bullying behavior, or who has filed a complaint, is prohibited and illegal, and therefore subject to disciplinary action. Likewise, retaliation against any person who has testified assisted, or participated in any manner in an investigation, proceeding, or hearing of a bullying complaint is prohibited. For purposes of this policy, retaliation includes but is not limited to: verbal or physical threats, intimidation, ridicule, bribes, destruction of property, spreading rumors, stalking, harassing phone calls, and any other form of harassment. Any person who retaliates is subject to immediate disciplinary action up to and including suspension or termination.
