### **PUBLIC INFORMATION PROGRAM**

An active and continuing program of public information shall be conducted for the purposes of informing the public about the activities, programs, policies, needs, objectives and achievements of the BOCES.

The public information program shall be conducted under the direction of the District Superintendent or his/her designee in accordance with proper publication guidelines and copyright regulations.

**Adopted:** May 17, 1993  
**Ratified:** June 21, 1993  
**Amended:** December 15, 2008
