AVAILABILITY OF ALTERNATIVE FORMAT INSTRUCTIONAL MATERIALS FOR STUDENTS WITH DISABILITIES

The Board recognizes its responsibility to ensure that all the instructional materials used in the BOCES' programs are made available in a usable alternative format for students with disabilities in accordance with their individual educational needs and course selection at the same time as those materials are available to non-disabled students. In accordance with applicable law and regulations, any such alternative format procured by the district will meet the National Instructional Materials Accessibility Standard.

The District Superintendent will develop a plan to ensure the availability of alternative format materials in accordance with the requirements of this policy.
